

DEPARTMENT OF NATURAL RESOURCES

HUMAN RESOURCES POLICY NO.: 25

EFFECTIVE DATE: OCTOBER 22, 2020

SUBJECT: UNSCHEDULED ABSENTEEISM POLICY

AUTHORIZATION: THOMAS F. HARRIS, SECRETARY

I. POLICY

The philosophy of the Louisiana Department of Natural Resources (DNR) is to encourage responsible leave usage in order to maximize public service and reduce the negative impact of absenteeism on productivity. This policy shall be administered uniformly and as equitably as possible without regard to race, color, gender, pregnancy, age, disability, religion, national origin, military service, veteran’s status, political affiliation, sickle cell trait, protected genetic information, marital status, job classification, job status or other non-merit factors.

II. PURPOSE

This policy serves to implement Civil Service Rule 12.6(a)2 which provides for the non-disciplinary removal of an employee from state service based upon a history of unscheduled absences. This Rule, within Chapter 12 of Civil Service Rules, states:

12.6 Non-disciplinary Removals

(a) Absence from work

An employee may be non-disciplinarily removed under the following circumstances:

1.
2. When, after the employee has been given written notice that his attendance requires improvement and a copy of this rule, an employee has seven or more unscheduled absences during any consecutive twenty-six week period. The employee shall also be given written notice each time he incurs a sixth unscheduled absence during a consecutive twenty-six week period. An unscheduled absence occurs when an employee is absent from work without having obtained approved leave prior to the absence. Approval of leave, after the fact, to cover an unscheduled absence shall not prevent the absence from being considered unscheduled. A continuous absence for the

same reason is one unscheduled absence, regardless of its duration.

III. APPLICABILITY

This policy applies to all DNR employees serving with permanent status who have been placed on notice, in writing, via counseling letter or supervisory plan, that his/her absenteeism has become problematic. In such event, the employee will be provided a copy of this policy and advised that his/her attendance requires improvement.

IV. DEFINITION

An "unscheduled absence" is defined as:

- A. An employee's failure to report for work at the designated time at the beginning of the workday, regardless of duration; or,
- B. An employee's departure from work before the end of the scheduled workday, regardless of duration; or,
- C. An employee's failure to timely return to work at the end of a designated break or meal period, regardless of duration;

without having secured permission, in advance, from an authorized supervisor.

"Advance" permission is defined as authorization by close of business the day prior to leave usage for the employee to be off from work, late for work, extend a break period or leave work early.

V. NOTICE

The non-disciplinary removal authorized by Rule 12.6(a)2 applies only to an employee who has been given notice that his/her attendance requires improvement and a copy of this policy. Such notice will be in writing in the nature of a counseling letter or supervisory plan.

The employee will receive an Unscheduled Absenteeism Notice (form located at <http://www.dnr.louisiana.gov/forms>) within five workdays of each unscheduled absence declaring the absence to be an occurrence under this policy. This notice will likewise include:

- A. The number of occurrences thus far accumulated within the consecutive twenty-six (26) week period.
- B. The manner in which the absence was coded (annual, sick, compensatory or leave without pay); and,
- C. An explanation of the nature or circumstances of the absence from duty.

Upon accrual of each sixth occurrence, the employee also will be given a formal Letter of Counseling advising him/her of the sixth occurrence and reiterating the possibility of non-disciplinary removal upon accrual of a seventh occurrence as authorized by Civil Service Rule 12.6(a)2.

In compliance with Civil Service Rule 12.7, no permanent employee will be non-disciplinarily removed under this policy until he/she has been given oral or written notice of the proposed action, the reason therefor, a description of the evidence supporting the proposed action and a reasonable opportunity to respond.

VI. CLARIFICATIONS
