Note: This Financial Security Obligation (FSO) secures the plugging and abandonment, site restoration, and emergency response obligations for the well identified above, including any well drilled pursuant to the referenced Permit to Drill Application. Once the State Serial Number is assigned, the Operator shall promptly notify the NRTA in writing so that Exhibit “A” may be updated. This security shall attach to the permitted well from the date the Permit to Drill is issued (or earlier if required) and shall remain in effect until fully released by the NRTA in accordance with LAC 43:XIX.104.
