Re: Site-restoration Manager at Risk Contract Selection
DC&E Project No. 431-PA27-001

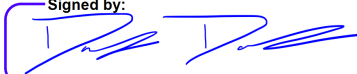

Dear Mr. Maldonado,

The Louisiana Department of Conservation and Energy (C&E) is pleased to inform you that Garner Environmental Services, Inc. ("Garner") has been selected for Part-A, Pre-site Restoration Services, for the above referenced project. In order to accept this selection, C&E and Garner must execute the contract supplied as part of the RFQ for the above referenced project.

You must now secure and forward to this office the required Insurance Certificates as outlined in the Contract Documents within ten (10) working days of this Notice of Award of Contract and should be made out in the name of the State of Louisiana, Department of Conservation and Energy.

It is anticipated the Contract will be signed in by Wednesday, July 29, 2026. If there are any substantive questions regarding the previously advertised Contract Documents, please notify DC&E Executive Counsel, Blake Canfield at blake.canfield@la.gov or 225-342-3024, as soon as possible whether you feel such a meeting is necessary.

Yours truly,

Signed by:
