EMERGENCY TEST CLEARANCE & 90-DAY TEST ALLOWABLE REQUESTS

District Offices >> Form WR-1 Information

Operators must submit a written request to the appropriate District Office in order to test and/or produce a well for which a unit is required or for which a unit has been applied. The request can be for an EMERGENCY TEST CLEARANCE and/or a 90-DAY CONDITIONAL TEST ALLOWABLE. Please note that the Form Completion/Recompletion report must be submitted before an allowable will be approved for the well. NO EXTENSIONS OF THIS ALLOWABLE WILL BE GRANTED UNLESS A UNIT HAS BEEN APPLIED FOR!

Filing Requirements

MONEY GENERATED

A statement to the effect that all monies GENERATED from the first date of production shall be disbursed based upon the unit to be created.

DATES

For Emergency Test Clearance requests, include the date(s) of test production along with the total amount of liquids and gas to be produced. (See Emergency Test Clearance Form). For 90-Day Conditional Test Allowable request, include the proposed first date of production.

PURCHASER/TRANSPORTER

Gas purchaser and oil transporter

UNITIZATION STATUS

Status of unitization application
